

## RING SIZE GUIDE

To measure your ring size, first print this document out on A4 paper at actual size (ie. not scaled down)

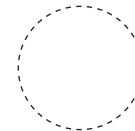

Then take a ring you already own and place it on top of the circles to the right until you find one that aligns with the inside edge of your ring.

This will indicate your ring size.

SIZE K  
D:15.9mm

SIZE L  
D:16.3mm

SIZE M  
D:16.7mm

SIZE N  
D:17.1mm

SIZE O
